Going the extra mile?

Just taking part in the Fun Run is great – thanks a lot!
But ... can you take it further and make an **extra**
difference?

Get some of your family and friends to sponsor your
walk or run. **Any** money you can raise will give **real**
help to vulnerable children with albinism in Tanzania,
helping them get an education and employment,
through our partner charity Standing Voice.

If you **check the Sponsorship box** on the entry form
overpage, we'll send you a sponsor form and info sheet
– and help and advice if you need it.
